A HOME WHERE GREENERY THRIVES

Freehold

A GARDEN HOME
A HOME GARDEN

YOUR HOME YOUR GARDEN

Discover the beautiful connection with nature at The Arcady at Boon Keng, an urban oasis garden where every single day is filled with the joys of nature.

The Arcady at Boon Keng is a nature paradise by the busy city fringe. An architectural masterpiece harmoniously integrated with wonderful botanicals and a full range of family-oriented indulgences, inspired by mountainside living.

A warm welcome greets you upon arrival and the lush foliage extends from this moment, through the green trails till you arrive at the comfort of your private abode.

Experience renewed energy and immerse yourself in the ambience of this tropical enclave, a space where you can thrive and bloom.

The Arcady at Boon Keng is truly your garden home, and your home garden.

Just 6 minutes walk to Boon Keng MRT station or a short ride to Potong Pasir MRT station from the bus stop right outside the estate - public connectivity is at its very best. Well connected to major expressways like the PIE, CTE and MCP, every destination across the island is ultra convenient.

A photograph of the Boon Keng station sign, which is a blue rectangular sign with white text and logos. The sign features the MRT logo on the left, the text 'Boon Keng' in the center, and a yellow square with a black 'B' on the right. The sign is mounted on a metal structure, and the background shows the station's architecture.

A yellow and purple bus is driving on a city street. The bus has a digital display on the front showing the number '145'. The background shows modern buildings and a bridge.

A photograph of the exterior of the Bendemeer Market & Food Centre. The building has a modern design with large glass panels and a prominent sign that reads "BENDEMEER market & food centre" in red and orange letters. A large number "29" is also visible on the facade. The entrance is covered by a white canopy supported by pillars. There are some green plants and a small sign with "HUP" on the left side of the building.

A close-up photograph of a doctor's torso and arms. The doctor is wearing a white lab coat over a dark shirt and tie. They are holding a black stethoscope in their right hand, with the chest piece resting on their arm. The background is a blurred, light blue and white pattern, possibly a window or a wall.

A close-up photograph showing a person's hand holding a white card, likely a credit or debit card, and inserting it into a slot on a machine. The machine has a blue screen and a keypad. The person is wearing a grey sweater.

A close-up photograph of a white ceramic coffee cup filled with dark coffee, with wisps of steam rising from it. The cup and its matching saucer are decorated with a green floral or leaf pattern. The cup sits on a wooden surface. In the background, slightly out of focus, are a plate with a slice of orange and a bowl containing a yellow liquid, possibly egg yolk.

A cup of coffee with latte art on a wooden tray.

A shopping cart filled with various groceries, including two long baguettes in clear plastic packaging, a head of green lettuce, several ripe yellow bananas, a bunch of green asparagus, a cluster of red cherry tomatoes, and a small green bottle of dressing. The background shows blurred shelves of a grocery store.

Other real estate developments in China include the completed Liang Jing Ming Ju (觀景明居Phase 1, 2 and 3), and Sequoia Mansion (紅衫公館) in Beijing; and the ongoing projects of Sino Singapore Health City. Zhong Xin Yue Lang (中新健康城·中新悅朗) and Zhong Xin Yue Shang (中新悅上) in Gaobeidian.

On the Property Investment front, the Group invests in yield-accretive assets that generate a sustainable stream of income with potential capital gains. These include a 36-Storey retail and office complex, Tianjin Tianxing Riverfront Square, in the heart of the business district of Tianjin, China.

The Group seeks to continue broadening its businesses and projects, and explore opportunities in new markets while striving towards sustainable growth to enhance shareholder value.

SLB Development Ltd.

Listed on the Catalyst Board of the Singapore Exchange since April 2018, SLB Development Ltd. ("SLB") is a diversified property developer with extensive experience and track record across the residential, mixed-use, industrial and commercial sectors as well as property development projects ranging from small to large scale. The diversified nature of its portfolio allows effective management of exposure to the fluctuations in demand and/or changes in regulations for each type of property development. From 2019, SLB has expanded into fund management business to broaden its recurring income streams, establishing fund management businesses in partnerships with experienced industry veterans from the United Kingdom ("UK"), Hong Kong and Australia, with the aim of actively pursuing investment opportunities in real estate funds and various segments of the real estate value chain. Led by an experienced management team, SLB has built a strong network of business relationships with other property developers and contractors, and has expanded its presence beyond Singapore to the People Republic of China ("PRC"), UK and Australia. SLB is 77.6% held by Lian Beng Group Pte Ltd, one of Singapore's major homegrown building construction groups.

H10 Holdings Pte. Ltd., Ho Lee Group

The growth of Singapore from the early 70's to the early 90's saw the expansion of Ho Lee's business from a single entity dealing with general plumbing works to one that carries out various construction-related businesses from general building construction to specialised metal works, formwork fabrication and sales and rental of construction machines and equipment. These various companies were group together in 1996 and saw the incorporation of Ho Lee Group (HLG).

The grouping allows all these companies to adopt a similar corporate culture which focuses on an open communication and the sharing of ideas. This, in turn, encourage corporation and collaboration between colleagues and business partners to derived workable construction solutions for our customers and improving the construction industry. By drawing upon the experience and knowledge of its people that are serving the different needs of the construction industry, it also promotes further diversification into other new business areas that the individual company had never ventured into previously.

From its inception in 1996, HLG had gone on to acquire Wee Poh Construction Co. (Pte) Ltd (WPC) in 2005 which is a civil engineering construction company graded by the Building Construction Authority of Singapore (BCA) with an A1 grading (the highest grade) under the workhead CW02. The Group also acquire Liang Huat Aluminium Ltd in 2007 which is an Aluminium and Curtain Wall Specialist listed on the Main Board of the Stocks Exchange of Singapore (SGX).

The Group also ventured into the development of commercial and residential properties either individually or with its business partners and had to date developed projects such as the Built-to-Order Mauser Factory in Tuas, Singapore, The Watercolour Executive Condominium, The Heron Bay Executive Condominium, to name a few. The Group was also one of the major sponsors of the Viva Industrial Trust during its IPO listing on the SGX in November 2013.

The strong corporate culture of the Group is a cornerstone in the success of the Group thus far and the strong partnership that we have established with our business associates and customers over the years will be further enhanced as we push for further growth into the future.

We look forward to every opportunity to collaborate and work with people that share our vision of providing construction solution for our customer and improving the construction industry.
